### Updates

Download TeamApp onto your device or smartphone and search for [FSC Surf Sports] to receive Surf Sport notifications.

### Live Heats

WE will continue to roll out the new Live Heats technology for tracking and recording the events. This enables results to be updated immediately while also providing a higher level of safety for the competitors. It will be compulsory for competitors to wear a Live Heats wrist band when competing. First wrist bands will be provided to competitors for free and are expected to be worn at all competition events moving forward. This includes country and state championships. In the event that you lose your wrist band there will be a \$10 fee to acquire a new one.
