

Far South Coast Branch 2025/26

Junior Carnival Program

Under 8 - 14

TATHRA SLSC Junior Carnival – 13th December 2025

Location: Tathra Surf Life Saving Club
Date: Saturday 13th December 2025
Contact: Rhys Davies, FSC Director of Surf Sports
Email: fscsurfsport@gmail.com

REMEMBER TO BRING YOUR LIVE HEATS WRISTBANDS!

This season will be a year of change as we move away from SEMS entries. **All entries are via LIVEHEATS.** Individuals and teams should speak to their club contact to discuss how entries will be handled at your club (either individual or club).

The Surf Sports Team has been working hard to incorporate a lot of feedback/suggestions made regarding our local surf sports carnivals. These changes ultimately are about providing a great surf sports experience for all our junior members. The team are looking forward to testing out the new program, which they hope you will see as positive move.

We do ask that everyone could please be patient with our FSC Surf Sports Team and all branch officials as we all work through everything together.

Event Information & Eligibility

- Mixed Events refer to a team with at least one female and any combination of age category specified in the event name unless stipulated otherwise.
- A maximum of 3 teams per Club per event. Composite-Club teams are allowable on the day at the discretion of the Official, however no points will be awarded.
- Competitors can only compete in their own age division for individual events.
- **Each participating Club is required to supply volunteer support as per the Junior Carnival minimum quota: Officials 10:1 and Water Safety 5:1**

Updates

Download Team App onto your device or smartphone and search for [FSC Surf Sports] to receive Surf Sport notifications.

Live Heats

Live Heats enables results to be updated immediately while also providing a higher level of safety for the competitors. It will be compulsory for competitors to wear a Live Heats wrist band when competing. First wrist bands will be provided to competitors for free and are expected to be worn at all competition events moving forward. This includes country and state championships. In the event that you lose your wrist band there will be a \$10 fee to acquire a new one.

If anyone has grown out of their band or it has stopped working, then we can replace them free of charge. Just return the old band prior to a carnival starting.

Program Details

- 6:30am Live Heats Wristband Help Desk available until 7:00am
- 7:00am Officials, Live Heats Personnel and Team Manager Meeting
- 7:30am Water Safety Briefing / Beach Run
- 7:45am Main Program Commences

NOTES:

- *Program is subject to change.*
- *Outgoing tide may require older age groups to start in water.*
- *Water area may change if one finishes sooner than the other.*
- *Under 8 age group runs an independent program to allow for early finish.*
